President's Message

Once again, I find myself having to sweep away rumors that accumulate like cob webs. The latest is the issue of the name change sign at the entrance of the range. I have heard that the reason for the name change is because the range has been sold. Nothing could be further from the truth. If the range were sold it would have to be approved by the membership. The range belongs to every member in good standing. We have always been WCW which stands for Wildlife Committee of Washington since at least 1953 when the range was officially established. Of course the actual use of the property for the shooting sports was started in 1945. Taking Kenmore out of the name was debated and sometimes very vociferously in board meetings. The fact that when looking up the range on the internet under Kenmore the pop ups were Kenmore appliances. That and the fact that we are really not associated with the city of Kenmore either by proximity or otherwise seems to make sense in the name change. That and the fact that we are a shooting sports facility and want to promote our self as such justifies the change.

Change is difficult. However, the only thing in life that is very predictable other than death and taxes is change. Right now we are in the throes of change as we analyze ways to make our range more user friendly and welcoming to the public and members alike. We have hired a marketing manager named Peter Goodwin. He has been very busy looking at ways to make that happen. He has been working with the various committee chairmen to look at ways to enhance our facility. In case many of you don't know we have committee chair persons in each area of activity. Those being of course Archery, Pistol, Rifle and Shotgun. You will note that very soon there is going to be a general cleanup of the facility and new signage so people particularly the public can navigate way more easily to throughout the range. Peter has also met with other clubs and sporting store outlets to explore co-marketing opportunities. Of course if any members reading this has ideas of how to enhance these efforts please let us know.

I would be remiss if I didn't mention another instance of change. Our Archery Chairman Mr. Ken De Leone has decided to step down from that post. Ken has been a past board member and run the 3-D shoot every summer as well as other archery events. I know of few members who love this club more and what it stands for than Ken. I might also add that he has a tremendous sense of humor and will continue to bless us with his larger than life personality. I think I speak for everyone who knows Ken with a big Thank you. Ken is being replaced with a fellow archer by the name of Gabe Shank. Gabe is already very busy working out details for future archery activities.

(continued)

President's Message - continued

The weather is beginning to turn for the better. That should attract outdoor shooting enthusiasts to want to come out and test their shooting skills. One note of warning, members should check the website calendar to make sure there is not a shooting event happening at the time you are planning to come out to shoot. While we are expanding our hours due to the time change that allows for longer shooting time it is still very prudent to check the schedule. I remember several years ago experiencing the indignation of a member who had travelled from Marysville to shoot only find the range was closed for an event. There is almost no excuse for that anymore with the little pocket pieces (I phones) of information we carry around. Remember the American Express commercial saying: "Don't leave home without it?" Given the overall grip of cell phone technology has on us the saying for cell phones could be "You can't leave home without it."

One last note. I know I have mentioned this before and it is very early in the year but I believe we need to do more to honor our veterans and police. Veterans Day is in November but I am hoping to start a tradition at our range that honors these service providers in a very meaningful way. I am currently reading a book called 'Defend us in Battle' which I highly recommend. I was spurred to this thinking when I read a quote by the famous writer. "As George Orwell pointed out, people sleep peacefully in their beds at night only because rough men stand ready to do violence on their behalf." If anyone has some good ideas on how we may put together a meaningful celebration it would be highly appreciated.

In the meantime keep those muzzles down range.

Welcome to our new members!

We gained forty seven new members over the past month. We are looking forward to having you here and hope you enjoy the club.

The ranges and facilities are a big part of why we become members, but enjoying activities with other members is a large part too. There are lots of volunteer opportunities if you would like to help support the activities you enjoy.

Membership Corner

Sometimes we forget the benefits of belonging to our club. As members, we join with other members to enjoy one of the most varied outdoor experiences available this close to where we live.

In our 80 acre facility we have everything from walk-through archery to shooting ranges to wildlife habitat. As members, the facilities are free to use, except for target and shotgun trap costs. Just using our facilities once a month is cheaper than paying with every visit. And, as members, we have access to ranges and hours not available to the public.

Our new membership rates with initiation fee are \$200 + \$275 + Tax = \$487.71 for an individual, and \$200 + \$357.50 + Tax = \$574.02 for a family. We waive the Initiation fee military, law enforcement and first responders.

New members can join us online, at <https://www.wcwshootingsports.org/new-membership/>

Swap Meets in 2023

We have three more swap meets planned this year. They are on June 4th, Sept 10th, and Dec 3rd. Time to plan on bringing what you have, or what you might need to look for.

The public is welcome, bring your friends!

Plan on attending, you might find just what you are looking for. Or, this might be your chance to find a new home for that item that you haven't used in years. Bring it in, find a buyer.

Setup time is 7:15 am with an 8 am start and the swap meet ends at 11 am. Plan to come early! Tables are for members only. Uncase firearms and have the actions open before entering the building. We will have an FFL dealer on site to handle transfers.

Any questions please call me at 425-353-0042. Ted Hudlow

Do you have news for us?

If there is something going on in our club, or something planned that you would like everyone to know about, drop us a note. There is a lot happening and this is a good place to let people know. The deadline each month for updates or articles is the 25th, just send what you have to secretary@wcwshootingsports.org

We add events to our club calendar every week. Be sure and check your events, or the events you are interested in, to make sure they are accurate.

As the year goes on, event schedules may be changing. make sure your events are on the calendar. The earlier, the better! At least three months out gives people a chance to plan ahead.

If you see something that needs to be fixed, contact us at secretary@wcwshootingsports.org

Instructors needed

Do you know something about shooting? About archery? Would you like to help new shooters learn to be safe and enjoy their new sport?

When you teach others, you also teach yourself, and improve your own abilities.

Our club always gets requests from new members and from non members for training on the shooting sports. We can use instructors, and we can use interested members. We have instructor training programs, and we have room for informal training.

Contact us at secretary@wcwshootingsports.org for more information.

Club Elections are coming

Our annual election of club officers is coming up at the April member's meeting. Here are several biographies for those who are running for re-election.

Running for club president:

Joseph C. Rinaldi: I have been president of WCW since 2016. I find it somewhat difficult tooting my own horn so to speak. At about the time I took over leadership I was once referred to as the default president. All kidding aside, I took my responsibilities seriously and have attempted to do as good a job as possible. One of the first things I endeavored to do was change the reputation of the club in general. WCW was not known as being a particularly friendly atmosphere with lots of restrictive do's and don't's that were hidden behind the veil of safety. I am pleased to note that many of these things have been changed without sacrificing safety. Such things like only loading one round at a time. The staff are now looked at as being friendly and quite helpful especially to the new shooters and first time visitors at the club. It is one thing changing a reputation but quite another changing the culture.

I guess I would be remiss if I didn't mention the effect the pandemic had on the management of the club. To say it was difficult would be an understatement. However, with the support of a solid board and the cooperation of membership we have come out of it quite well. Yes we did have to make some sacrifices with range time but were fortunate to have a source of income from renters that kept afloat financially.

I would like to say in conclusion that it has been my honor to represent this club and hope to continue to do so in the next upcoming year.

Running for recording secretary:

Hello, my name is Dale Sieg. I love firearms and shooting. Born in Eastern Washington and grew up in the Seattle area. Always interested in firearms from an early age to adulthood but not much time to pursue the sport. My first serious purchase (after my first car) after graduating from the University of Washington in Electrical Engineering in 1990 was a Beretta 92FS. About that time, I joined the NRA and

have been a member ever since. Several years ago, I became a life member. My shooting opportunities have been spotty until about 4 years ago when I started shooting more regularly with people at work. I also enjoy gunsmithing and the continuous collection of my gunsmithing tools. I love 45 ACP and the Armalite platform. I joined WCW several years ago with the intent to be more active in the shooting community. But volunteering soon overtook my shooting time. Instead of shooting, I started helping as a member of the Pistol Committee and shortly after that became the Recording Secretary. This is a great club, and I am happy to be a part of it.

Running for corresponding secretary:

I'm Martin Morehouse, and I have been the Corresponding Secretary for WCW since 2018. I'm running for another term, to continue helping the club run.

I am the Rifle Committee Chair, So I have met a lot of members while working on the committee or providing rifle special use training. In addition, I am an NRA Instructor and Training Counselor, where I help both the club and the public with our training and classes.

We moved here from Oregon in 1982, and I found the range through the Yellow Pages. I spent 29 years in the Army, between active Army and National Guard infantry, and am retired from the phone company. I have been a member of the club since 2004.

I'm asking for your vote for another term as Corresponding Secretary.

Running for Second Vice President:

My name is Erin Mickleberry and I am running for the 2d Vice President position. I have been a member of this club for years and very much enjoy shooting here. This place has been a big part of my life whether I am shooting or competing at the range, or volunteering my time to help the club. I have experience being the Athlete Representative to the USA Archery Officials and Rules Committee, so I know what it is like to serve on a board that supports an organization. I wish to serve as the 2d Vice President to help Kenmore Range; having it continue to be a great place for the community to enjoy.

Running for Treasurer:

Hello my name is Joe Maggiora, and I submit my candidacy for Treasurer of WCW Inc. I am new to the Organization, but have enjoyed shooting sports since childhood. I also am a nature enthusiast, and I own and manage a 15 acre Stewardship Forest on Camano Island, WA.

I spent 38 years in the US Merchant Marine, rising to rank of Chief Engineer Unlimited. My responsibilities included maintenance and operation of large ocean-going cargo and oil tank vessels. Purchasing and inventory management of repairs and spare parts were also part of my day to day work. I believe that as well as other facility management experience will suit me well if elected as Treasurer.

Thank you for your consideration.

Running for Trustee:

My name is Aaron Morales and I'm running for a trustee position on the WCW board. I have been a member for 4 years but took 2020 off due to the covid restrictions. I have come back and feel new blood ideas, and a modern outlook is needed. A new voice that isn't afraid to speak up or get my hands dirty.

A little about me, and my reason for running. I am primarily an archer but use all that WCW has to offer. I fell into the sport while playing professional baseball. It was something fun I found during off day and in the off season. I played 12 years 6 in the MiLB for a handful of teams, and 6 years in the Carrabin league and representing Puerto Rico in the very first World Baseball Classic (Held every four years) in the off season I work construction and after my ball playing days were over, I stayed in that field. I currently work as a Project Director for an Emergency service restoration company.

The reason I'm running is to bring a new prospective to the club and help to find new ways to generate revenue to the club. I will also bring a voice that isn't afraid to speak up and represent the people the people that don't want to address the hard conversation. I also would like to make sure ALL members have access to every aspect of our club from the ranges and club houses. I want to make sure any business conducted on WCW property is correctly tracked and charged for. I have a plan

that id like to present and hopefully adopt to policy. I feel our club is outdated and need a refresh and get into the modern age of social media. Let's take advantage of the free platforms for marketing and put to use our great ranges for revenue generating money tournaments. Instead of hiring a marketing professional let use those funds to update the website and have a part time positions for someone to work the social media platforms and consistently reach future members and visitors.

If elected I vow to keep integrity, loyalty, and honesty to the seat.

Running for Second Vice President:

My name is Gabriel Shank and I have been a member of WCW for the past 5 years and prior to that I was a regular user of WCW for over 6 years. I became a member because of the multiple disciplines offered by the club and felt the value of being a member outweighed paying each time. I am an avid pistol shooter, .22 bench rest shooter, and archer and enjoy each discipline equally.

The reason I am running for the Second Vice President position is to give everyone a voice at the club. This voice would be for both members and the public. I want people to know the club is for everyone and not a private club. I do not believe one shooting discipline is more important than the other. What I do believe is that we are all here to have fun, improve our skills, and make friendships that may last a lifetime.

Our club is undergoing a lot of changes and we may expect a void in renewed income. I believe in using social media, word of mouth, and effective advertising to attract new members/income. The best way to attract new members is to get them to our club to see what we have to offer. This can be done through advertisement, competitions, and appealing to their wants and needs. But I truly believe members are the best advertisement the club can ever have and are underutilized.

My goal is to keep this club going not only for my friends, family, and myself, but for the next generation of shooters! Thank you for your consideration.

Running for Trustee:

My name is Carrie Lin. I'm very excited about this opportunity to run for a trustee position at our club to help facilitate activities and growth in the best interest of our community. In 2013, I borrowed a friend's shotgun and came to Kenmore as a guest. I had a smile on my face the entire time as I hit ten clays on my first try. I became a member that week and received a 12 gauge over/under as a birthday gift from my husband that same year. The multicolor targets piqued my interest every time we drove past the archery field. A year later, I got my hands on a bow and was instantly obsessed. All my focus shifted to excelling at archery. I'm still on that path...but itching to get back on those clays! I stepped back from my corporate job last year to focus on training in shooting sports, and I believe there is so much continuing potential for our club. I would love to be integral in growing the community and sharing our stories. I look forward to meeting more of you in different areas of the range as we begin to see more sun!

Running for trustee:

My name is Patty Woolley and I'm running for Chairperson-Elect of the Board of Trustees. My family and I have been members since 2015. I have been working as the Membership Coordinator since August 2020. I also volunteer my time by helping run the WCW Youth Rifle Team and have assisted the Board and Club manager with special tasks. My husband served as Treasurer for 3 years and he is also the lead coordinator of the WCW Youth Rifle Team. Our daughter is a member of the WCW Youth Rifle Team and is working on obtaining her NRA 4-Postion Smallbore Distinguished Expert qualification. Our son took first place in the WCW Youth Shotgun League in 2020. He still enjoys shooting when time allows. Between the 4 of us, we enjoy all the disciplines that the Club offers. We all have bows, and like many other gun loving American families, we are happily outnumbered by the rifles, pistols, and shotguns in our home. WCW and shooting sports are an integral part of our lives.

I am running for this position because I want to see WCW continue to succeed for generations to come. The Club is aging and needs updating. The income

provided by the renters came at the sacrifice of the members who gave up valuable range time. Funds need to be spent wisely on improvements that will benefit the members. Also, there is a want in the local marketplace for education and training. Although WCW offers some training classes, we need to provide more. This will bring additional income to the Club and grow the membership base. Lastly, WCW does not currently have enough youth programs that reach a large number of families. The more youth who are involved with the Club will help ensure WCW's success for generations to come. I will work hard as the Chairperson-Elect of the Board of Trustees to achieve these goals. I would be honored to receive your vote.

Running for treasurer:

Hi, my name is Tracie Champion and I am running for the position of treasurer for the WCW Board. My daughter is a member of the JOAD Team and is proud to represent WCW at local and National tournaments. I currently work for WEA (Washington Education Association) as a State Based Membership Organizer but have held many positions in the labor movement here in Washington including being the Treasurer for WA Y.E.L.L. (Young Emerging Labor Leaders) of the Washington State Labor Council that represents over 550,000 rank and file union members state wide. WCW has helped my daughter discover something that she loves, and I want to be able to give back and help ensure that it can do the same for others young and old.

Running for trustee:

I am Larry Anderson, currently a Trustee on the WCW board and am running for Trustee for 2023. I have been an active member of WCW for over 50 years. I compete nationally in US Archery competitions in the Master's divisions. Currently I am National Outdoor Champion (M70+) and am a member of the Masters United States Archery Team. I currently hold six national scoring records. I am also certified coach and Judge.

I have been directly involved the Ed Eliason JOAD, coaching for many years and continue to support the group. I have organized numerous competitions at WCW and have helped with all parts of archery at the club.

My interest is not just archery. I want this club to be successful and that means all parts of the club.

Several years ago I was member of the By-laws work group where we went through the entire bylaws and came up with recommended revisions.

I am a retired Civil Engineer with 44 years of experience in the utility industry and want to help WCW provide great opportunities for all our shooting sports.

Volunteers are always needed across the club

Would you like to make a difference, and make our club better? We can always use volunteers in many areas across the club.

We have committees for archery, rifle, pistol and shotgun. We have junior programs, we have education programs, we have other programs that could all use the help of interested volunteers.

Contact these groups and committees if you would like to know more. You can always drop in on their committee meetings as well. Or, send a note to secretary@wcwshootingsports.org for more information.

WCW Sharpshooters Youth Rifle Team

The WCW Sharpshooters Youth Rifle Team held their last regular season match on March 10th. Several members of the team moved up a class for this match. The Indoor Championship is right around the corner and the season ends with the Outdoor Championship in Maryville at the end of April.

Meeting called to order at 7:00 PM by President Joe Rinaldi.

Present board members:

Joe Rinaldi (President)
John Woolley (Treasurer)
Dale Sieg (Recording Secretary)
Martin Morehouse (Corresponding Secretary)
Larry Mallory (Trustee Chairman)
John Sutton (Trustee Elect)
Scott Ray (2 Year Trustee)
Larry Anderson (Trustee)
Dave Levinson (Trustee)

Absent board members:

Robb Stack (Vice President)
Jeff Gomes (2nd Vice President)
Gary Webster (past President)

Committee Leads and Facilities Manager present at meeting:

Robert Haverstock – Facilities Manager
Martin Morehouse - Rifle
Ken Deleone – Archery
Bob Pritchard - Shotgun
Dave Rusko – Handgun

Guests:

Darrin Barry
Jay Greening
Kevin Kirkpatrick
Steve Read

Guest topics:

Jay Greening presented.
Jay came to the board meeting to share his initial drawings for the Range 4 updates.

Steve Read presented.
Steve came to the board meeting to ask for the bullseye events to be added to the calendar. Joe said he needs to work with Martin to get them on the calendar and will have to be balanced with all the other events.

Kevin Kirkpatrick presented.
Kevin came to the board meeting to answer any questions we may have with his quote to update all cameras on our facility. He recently installed some new cameras to replace failing cameras and was asked to provide a quote to update the rest of the cameras. Dave Levinson has the quote. It is about \$20,000. The quote includes 50 cameras and 8 terabytes of backup. Joe asked how he would do it. He would do it in blocks and there would be no down time. Total time for installing the cameras is 67 to 68 hours.

Darren Barry presented.
Darren is with Next Steps Archery. He wanted to rent our range this summer for some events. They want to do host some summer programs (mini camps) and have practice time on Mondays and Thursdays. He shared some details of the costs and what they want to do. Mini camps are usually Monday through Thursday. They do them in the morning. They usually have 7 kids per camp. They will start with one camp and see how it goes. They would want to rent all three fields. Larry Anderson asked Darren to get together to go through some of the details. He left a written proposal with the board.

Committee reports:

Notes from the committee reports that were presented during the board meeting are below.

Archery report:

Ken Deleone presented.
Several people went to Salt Lake City for a tournament. 13 to 14 members attended. 3 people placed. There were 4 youths in their first tournament.

Handgun Report:

Dave Rusko presented.
For last January and February, we streamlined the new people orientation and

special use. We will have the sessions frequently until the attendee count decreases. Martin trained Dave on the rifle special use so Dave can start helping with those.

Dave said the committee has produced 15 ideas of activities they want to the board. He had a question for the board. He wants to know if it is okay for someone to shoot someone else's gun 3 questions from committee - Can we let someone else shoot our guns when we are at the range? Joe said yes.

Rifle Report:

Martin Morehouse presented.

Martin said there was an inquiry about a disabled veterans group wanting to rent our clubhouse to during the days. Martin will work with them and pursue this.

Shotgun Report:

Bob Pritchard presented.

The 5 stand league will be in April. The Continental shoot was excellent. There were no complaints.

The Trap Fundamentals class was full. We are bringing on a new instructor. John Wooley said the instructor must be paid. We will make sure we do that. Bob said he would love to find out from the people who took the class if they are still shooting. Joe said we could send out a survey.

Manager's Report:

Robert Haverstock presented.

We received bids for replacing the cameras and water pipes. We found out our water pressure reducer was at 150 psi instead of the normal 60 psi. All the water pipes are not fixed. They are just patched so they are currently not leaking. We need to fix them. He is working on getting more range masters. Sports Services is having their show next week. Robert will stop by to see if they have good deals on ammunition.

Joe asked how difficult it is to find people to work. Robert said it is hard. He said he has 2 perspective retired people. Our biggest need is range masters at rifle and pistol.

Treasurer's Report:

John Woolley presented.

This last month's report looked reasonably good. Pistol is still the highlight considering how long it was closed.

Trustees Report:

Larry Mallory presented.

At the last trustees meeting, they discussed the camera upgrade, two ways to proceed with the water system, shotgun pricing and hours, the marketing agreement, discussed the election, the annual budget and a proposal was presented to fix the drainage on the flat archery field.

We discussed the marketing position proposal presented by Peter Goodwin. The trustees are in favor of the proposed marketing plan. If we move forward, they believe we need to review the progress in 6 months to determine if we continue the agreement. There is a concern that there would be additional costs associated with what Peter wants to do. John W. suggested we hire someone to do training instead of spending the money on the marketing proposal. We discussed this further.

We discussed adding the cost of the water pipe repairs to the budget. But, we will try to do as much as we can ourselves. Joe said Jim Dinnie thought we could have our employees do the repairs. John Sutton said our employees could do some but not all. Most of the bids were around \$50,000.

Old Business:

Martin Morehouse moved we accept the marketing plan and schedule that Peter Goodwin submitted. Scott Ray seconded. Passed. Larry Mallory suggested Scott Ray work directly with Peter Goodwin to closely

monitor the progress. Scott will do that. Martin Morehouse reported that we have changed the members sign-in to request the member's initials, instead of their name, in addition their badge number.

New Business:
