VOLUME 24 ISSUE 3

President's Message

If you for the most part ignore this message this may not be the time to do so. This is going to be a short newsletter from me, I promise. If you are concerned about your law abiding gun rights please pay ATTENTION. As many of you know the state legislature is busy contorting bills for passage into law that make buying, owning, and operating a business that sells firearms more difficult. It is my personal belief that whenever a regulatory authority makes things harder and harder to do it imposes a serious imposition on people to pursue the shooting sports. If that is the case many people will simply look for another recreational activity. It has been said through an anonymous author that: "The best way out of a difficulty it through it."

So, please mark your calendar for March 20, 2024 at 7:00pm in the clubhouse at WCW. Through a stroke of good fortune we have managed to get Mr. William K. Kirk, attorney with Washington Gun Law, to do a stand-alone presentation to our membership about these very laws, that will have been passed by the time he gives us his rundown of the effects of these legal enactments. During a happenstance meeting at the Shot Show in January we made our acquaintance with Mr. Kirk. It turns out that he and my brother Al had quite a few positive interactions in their respective practices of law over the years. That spurred me to ask him to speak to our club members. He has agreed and graciously has waived his speaking fees. In addition to being informed about what the

implications of how these new laws are and how they affect us I have an additional hope. That we may garner out of hearing what he has to say how and what we can do to push back as law abiding gun owners to protect our second amendment rights. It is my personal opinion that many people just accept these laws without questioning how they may challenge the propriety of their existence.

So that's it for this month. I will get back to the wrangling of the various things that are going on here at WCW next month.

Please plan to attend: The Washington Gun Law presentation by William Kirk on Wednesday March 20, 2024 in the clubhouse at 7:00pm. We anticipate and hope that this will be an event that is highly attended. Please make sure you wear your membership badges if you plan to attend.

Thank you and remember muzzle control is what it is all about to ensure safety.

WASHINGTON GUN LAW PRESENTATION

William Kirk, president of Washington Gun Law, and well-known expert on firearms related law and legislation, will be here on Wednesday, 20 March, at 7 PM in the clubhouse.

Mr. Kirk will let us know what has happened in the Washington State legislature this session, what to expect from all the changes, and what to expect in the future.

Mr. Kirk will also be able to cover legislation in other states and nationally. Mark this date on your calendar to attend and become better informed.

You can contact us for more information at secretary@wcwshootingsports.org.

MEMBERSHIP CORNER

Our membership is growing, let your friends know the benefits of joining us. Membership is a good deal, we offer facilities and shooting opportunities that are hard to find locally. Some of these are only open to members.

Our individual membership costs \$287.71, and the family membership is only \$374.02, and each requires a \$200.00 initiation fee. We still waive the Initiation fee for military, law enforcement and first responders. New members can join us online, at

<https://www.wcwshootingsports.org/new-membership/>

ANOTHER YEAR OF SWAP MEETS COMING

Are you ready for our March Swap Meet, on Sunday the 3d? After this month, we have three more scheduled for 2024. We have dates set for 2 June, 8 September, and 1 December.

Plan on attending this month, you might find just what you are looking for. Or, this might be your chance to find a new home for that item that you haven't used in years. Bring it in, find a buyer.

The public is welcome, bring your friends!

Any questions please call Ted Hudlow at 425-353-0042.

MEMBERSHIP BADGES

When you join the club, or when you renew your membership, you get a new membership badge. To reduce losses in the mail, we will have them ready for you to pick up in the rifle office.

If your badge doesn't have your special use on it, and it should, that means it has expired and needs to be renewed. Just attend the next special use classroom session to get that renewal.

WCW HUNTER GROUP MEETING

Our new hunter interest group will be meeting every month from 10 AM to 12 PM in the pistol range classroom. The March meeting will be on Saturday the 30th.

This is a place to compare notes, learn about hunting opportunities, and plan future hunting activities. We had a good crowd last month, come out and see what we have!

NOTICE OF CLUB ELECTIONS

Our annual election of club officers is coming up in April. If you plan to run for a position in the club, you need to turn in an "Intent to Run For WCW Board Member Position" form. The form to use is shown [here](#). You can turn in the forms at the office, or at the March board meeting.

According to the club bylaws, Election of Board and Vacancies, Section 2, A person must be a member in good standing consenting to fulfill the duties as an Officer or Trustee as set forth in these Bylaws to be nominated for or hold office in the WCW. Nominations must be delivered in writing to the Board of Directors by their regular March meeting. The nomination shall include a statement of commitment to serve signed by the candidate and the support of at least two other members.

Almost every position is open for election, and our vice president, Jeff Gomes, does not intend to run for another term.

To introduce yourself to other members with a notice in the newsletter, just send a short note about yourself and your reasons for running for club office to secretary@wcwshootingsports.org

WELCOME TO OUR NEW MEMBERS!

Fifty two new members attended our club orientations during the past month. We are glad to have you join us!

There are lots of volunteer opportunities around the club if you would like to help support the activities you enjoy.

Contact a committee chair for more information, or contact me at secretary@wcwshootingsports.org.

CLUB ELECTIONS ARE COMING!

Our annual election of club officers is coming up in April. We have several biographies for those who are running for re-election, there is still time to turn one in to secretary@wcwshootingsports.org if you are interested in helping the club run.

Running for club president:

Personal biography of Joseph C. Rinaldi WCW member number 4314. Education: BA University of Washington 1970. MA Pacific Lutheran University 1975. Worked for the Department of Corrections for thirty years. Twenty-two years spent as a supervisor of various community corrections, probation and parole surveillance units. The position was akin to a Sergeant Major in the army. During that period of time, I lead the movement to get the division of community corrections permission to be armed while on the job. Testified in the state house at some personal expense arguing the increasing inherent danger to officers. The State Senate subsequently voted to approve arming the division in a vote of 55-12. Prior to that I became a certified firearms instructor and worked in that capacity from 1990 until retirement in 2001. I am a life member in WSLEFFIA which stands for Washington State law enforcement firearms instructors association. In 1995 won the state mayoral award for innovative community policing policy still in use today. After retirement I spent nine years working as a youth minister primarily taking kids on mission trips to do habitat work. Developed one such place in the upper delta of the State of Mississippi. I believe this contrast in activities has given me some intrinsic insights into management that are invaluable to me personally. Moreover, I believe it provides some ability to guide in management of club activities. I have been a lifelong hunter and fisherman and have a deep abiding respect for wildlife conservation.

Running for recording secretary:

Hello, my name is Dale Sieg. I love firearms and shooting. Born in Eastern Washington and grew up in the Seattle area. Always interested in firearms from an early age to adulthood but not much time to pursue the sport. My first serious purchase (after my first car) after graduating from the University of Washington in Electrical Engineering in 1990 was a Beretta 92FS. About that time, I joined the NRA and have been a member ever since. Several years ago, I became a life member. My shooting opportunities have been spotty until about 4 years ago when I started shooting more regularly with people at work. I also enjoy gunsmithing and the continuous collection of my gunsmithing tools. I love 45 ACP and the Armalite platform. I joined WCW several years ago with the intent to be more active in the shooting community. But volunteering soon overtook my shooting time. Instead of shooting, I started helping as a member of the Pistol Committee and shortly after that became the Recording Secretary. This is a great club, and I am happy to be a part of it.

Running for corresponding secretary:

I'm Martin Morehouse, and I have been the Corresponding Secretary for WCW since 2018. I'm running for another term, to continue helping the club run. I am the Rifle Committee Chair, So I have met a lot of members while working on the committee or providing rifle special use training. In addition, I am an NRA Instructor and Training Counselor, where I help both the club and the public with our training and classes. We moved here from Oregon in 1982, and I found the range through the Yellow Pages. I spent 29 years in the Army, between active Army and National Guard infantry, and am retired from the phone company. I have been a member of the club since 2004. I'm asking for your vote for another term as Corresponding Secretary.

Running for Treasurer:

Hello, my name is Joe Maggiora, and I have served as your Treasurer for the past 12 months, and I would like your vote to continue to serve. During my tenure I have thoroughly enjoyed getting to know both my fellow Board members and the WCW Membership in general.

I'm proud to have worked with our club Finance Team and our bank financial advisors to obtain the best returns on our investments, as well as being a good steward of the WCW Treasury.

With your vote I hope to continue helping the Wildlife Committee of Washington grow and **thrive. Thank you for your consideration.**

Running for Trustee:

I'm Scott Ray, and as a Trustee on the WCW Board for the last two years I have had the pleasure of participating in the positive and dramatic changes taking place at our Club. Thanks to the enthusiasm and dedication of my fellow Board Members, Committee Chairs and our Member volunteers, we have been making great strides in building our membership, offering more coaching and training opportunities and attracting more public shooters to our facility. My personal goal and that of the current Board is to ensure we aggressively support these efforts by continuing to improve and expand the infrastructure that supports each of our shooting disciplines, continue our outreach to the outdoor recreational community and continue building our reputation as a premier multi-use shooting sports facility. I would appreciate your vote and look forward to serving you for another term as a Trustee.

Those running for club office:

As of this newsletter, the following members have turned in a Notice of Intention to run for club office.

Joe Rinaldi, running for president

Dale Sieg, running for recording secretary

Martin Morehouse, running for corr. secretary

Joe Maggiora, running for treasurer

Scott Ray, running for trustee

The position of Second Vice-President is open. The positions of President, Corresponding Secretary, Recording Secretary, and Treasurer, as well as three trustee positions, each have only one candidate so far.

The deadline to turn in a notice for this year is the board meeting on Wednesday, 6 March. The election will be completed at the April members meeting.

PLEASE DONATE!

Donations accepted year-round of **USABLE SINGLE SPEED BIKES AND TRIKES** to be distributed to children of domestically abused women of Snohomish County. Drop off your bikes and trikes in front of the chalet anytime and a club volunteer will deliver them to the Women's Shelter.
(Good condition only please.)

STEEL TARGETS

We recently started using a few steel targets on Range 1, for members with rifle special use.

We will be adjusting how they are used as we get experience with them on our range. Our current use rules are:

- Use only at 100, 200, or 300 yards
- Bullets under 2850 FPS at the target
- Use only club targets
- Use 2x4 crossbars for support
- Use the target posts with the 2x4 brackets
- Or, use the single A-frame supports
- Hang the targets with the supports behind the steel, targets angled down
- Use the small target sets, carry them out and use them, then bring them back when you are done
- If you aren't hitting the steel, go back to paper
- You can use paint or stick-on targets for aiming
- Return the targets when done shooting. They hang on the back of the firing line wall.

For more information, contact us at

CALENDAR UPDATE

Don't forget to check our calendar for updates and changes before coming out to shoot.

Our calendar is updated frequently, and should be a good guide to what is open and available. Save a wasted trip, and take a look before coming.

If you would like to see what is going on in the club, and get a look at what may be coming in the future, everyone is welcome to attend our board meetings and committee meetings. We hope to see more members at our meetings.

FEBRUARY 2024 BENCHREST CENTERFIRE MATCH REPORT

Jeff Gomes (Vice President)
Gabe Shank (2 nd Vice President)
Joe Maggiora (Treasurer)
Dale Sieg (Recording Secretary)
Martin Morehouse (Corresponding Secretary)
John Sutton (Trustee Chairman)
Dave Levinson (2 Year Trustee)
Patty Woolley (Trustee Elect)
Scott Ray (Trustee)
Aaron Morales (Trustee)

Absent board members:

Gary Webster (past President)

Committee Leads and Facilities Manager

present at meeting:

Robert Haverstock – Facility Manager
Martin Morehouse (Corresponding Secretary)
Gabe Shank – Archery
Dave Rusko – Handgun
Peter Goodwin – Marketing

Guests:

Steve Read

Guest topics:

Steve Read presented.
Steve asked if Bullseye pistol can run from 9am to noon on Saturdays on Range 3. Pistol does not open until 12 noon so this would not impact our normal hours. The board is okay with this.

Committee reports:

Notes from the committee reports that were presented during the board meeting are below.

Archery report:

Gabe Shank presented.

WCW is holding the WSAA BlueFace State Championship February 23th through February 25th. Archery would like to thank all those groups who sacrificed their time in the clubhouse to allow for this tournament.

Sixteen or seventeen WCW club members attended the 2024 Vegas Shoot. There were 4591 participants from around world. WA state had several top scores during the tournament.

The WCW Assistant Archery Chair spoke with several local clubs who are excited to attend the WCW archery tournaments this year. They have volunteered to assist our club in running these tournaments if needed.

The Rinehart 3D targets arrived in mid-January. They have been inventoried and are ready to be used in a 3D shoot.

We will be looking to put on our first 3D Shoot of the year on April 13-14. This would be a 30 Target fun shoot. No other range or building would be affected other than the Archery Walk Through Course.

Handgun Report:

Dave Rusko presented.

Steel targets will be made available this week on Range 3. Targets will be in zone 7 (lanes 25 through 28). Steel rules have been posted at Zone 7 and in Rangemaster office on Range 3. Steel targets will be stored outside alongside the east range wall to protect from the environment. Fragment panels have been added to all steel frames to trap tiny fragments.

Pistol Special Use members are forming a group to participate in the NRA MQP program. Members will meet monthly or bi-monthly to shoot, score, and submit.

The Pistol Committee is designing a training course for new Pistol shooters. This will be similar to the rifle course Martin Morehouse presented earlier. Classes will be members only to start and will be small, personalized instruction for the members firearm.

The February and March NRA Metallic cartridge reloading classes are sold out.

April class has space available. We have not advertised these classes to the membership yet.

NRA classes are actively being promoted at new member orientation and special use meetings.

New Hunter Education event direction signs with moveable direction arrows were provided to the hunter education instructors. 46 members obtained their special use last month. 27 members have signed up for the February special use class.

142 new members in January attended the new employee orientation. We want to thank Sebastian Tomaszewski, Travis Barth, Kevin Ekström, April Bobin and Jack Bobin for assisting with traffic control, parking, and set-up.

New classroom tables and chairs have been ordered and cost \$2,806.76. This was under budget by \$2022.22. We expect to have them received before the end of February. We replaced several overhead lights on Range 3. We will continue replacing lighting fixtures with LED figures as time permits.

Cross boards have been replaced at 50 and 100 yards. Target frame uprights have been reinforced where needed. Target frame uprights need to be replaced. Martin Morehouse and Dave Rusko have made plans to perform the upgrade after the weather improves. Steel piping will be cemented into the ground to replace the cemented wood posts making the uprights quickly exchangeable. The design will be like Range 1 target frames. Previous experience suggests that this will only close Range 2 for 1 day.

Shooting bench at lane 16 has been removed and is being used to test new resurfacing methods. ETA to completion is the end of February.

There are some Clubhouse updates. The warranty replacement of the failed display panel is completed. The overhead Space-Ray Infrared heaters are weeping water during use. We contacted the manufacturer and was advised to install a drip tray to prevent drips on members below. We have observed intermittent rattling of the Space-Ray heaters during use. Safety struts are interfering. We are re-adjusting struts and adding damping material.

Lastly, the New Holland T1510 Tractor battery and battery cables were replaced. The driveline broke 2 days later. This is being repaired. The forklift broke down and needs to be replaced.

Rifle Report:

Martin Morehouse presented.

Rifle matches for the coming month are Rimfire Benchrest on February 3 rd , ARA Rimfire on February 10 th , Centerfire Benchrest match on February 17 th . We also have a CMP Games High Power match on February 11 th . The twice-yearly NRA Instructor Training for rifle, and pistol will be on February 2 nd through February 4 th . Due to instructor illness, we rescheduled the NRA Pistol Instructor course from February 3 rd through February 4 th to February 24 th through February 25 th .

Our next NRA Basic Rifle Class is on February 17 th and 18 th .

Indoor smallbore practice is on the calendar on Saturdays and Sundays from 2 to 6 PM, as well as Tuesdays from 6 to 9 PM.

The Youth Rifle season runs every Friday at 6 PM.

We have planned and scheduled NRA Reloading classes for February, March, and April. These will be on the Sunday of the third weekend of the month.

46 people attended the rifle Special Use classes on January 27 th and 28 th . The next rifle Special Use range session is on February 25 th . There is an additional Special Use classroom session on February 9 th , we added a rifle session on the range on February 11 th .

We are working on a video script to cover rifle and pistol special use renewals. This should be linked to membership renewals, so that special use can be renewed annually by watching the video. The video will be about 6 to 7 minutes long.

The Garand competition will not happen in April.

We are looking to expand the steel targets. We bought three more steel rifle targets, 8" round, for member's use. These can be

mounted on the existing 100, 200, and 300 yard target posts with 2x4 crossbars, or use our new steel target supports. These are A-frame supports that are to be placed right in front of the existing target frames. In this way, the bullet fragments will not cut the paper targets for the next bench. The A-frames are stored out of the way to the left of the 100, 200, and 300 yard targets, and are to be put back when not in use. The steel targets are stored on the backside of the half wall behind the firing points. We only accept the use of the club steel targets and supports. Members will have to set up the support crossbars as needed. We have updated and posted the range rules to support this.

The 4x4 target posts on Range 2 may need updating and repair. We are setting up a work party for this. Mark Huber can still be our contact for the steel pipe.

The African Safari presentation by Brian Suddaby Safaris happened last night and we had 18 people attend.

Horacio Delgado suggested a clarification on guest rules for the use of Range 1. The proposed addition is, "Guests under supervision of a member with rifle special use may use all shooting positions and distances."

Martin asked if we could include new member names in the newsletter. We should consider an opt-out provision. Patty will get together with Martin.

Helping Hands Ministries asked for a donation for their auction in March. That is, donating a membership. Joe said he is okay with that.

The BSA Shooting Sports Committee at Fire Mountain Scout Camp needs some information to help them build a sign for Loupe's Last Stand, the Cowboy Action Range we helped them build. The boy scouts are finishing their range. They would like a picture of Gerard Loupe. We will try to find one for them.

Shotgun Report:

Joe Rinaldi presented.

The Continental Shoot is this Sunday. Thank you to Scott Ray's wife who

volunteered to do the food.

Joe mentioned we need more involvement from the Shotgun Committee.

Manager's Report:

Robert Haverstock presented.

We are looking to make a large ammunition order to cover what we need before and after the election. He would like to purchase about \$200,000 of ammunition. Initially starting at \$120,000. We would only pay for it once we receive it. We need to get our order in the queue, or we may not get the order. Dave Levinson moved that we accept Robert's proposal. Joe Maggiora seconded. Passed.

Robert would like to give Victor Rabara access to editing the calendar. We said yes. The tractor needs repair. We are getting it repaired.

Our forklift is now dead. The repair man said it was not worth fixing. Dave L. investigated our usage. We only use it 25 hours per year. However, based on how much it costs to rent one, we could pay for one in about 1 to 2 years. Buying one would be a worthwhile expense. A used forklift would be about \$20,000 to \$30,000. Gabe Shank moved we approve \$25,000 for a forklift and \$5,000 for a cover to park the forklift under. Patty Woolley seconded. Passed.

The Sportco Show is March 6 th and 7 th .

Treasurer's Report:

Joe M presented.

Joe shared a couple bar charts of new members and revenue for several years. The new members chart clearly illustrate that removing our initiation fee attracted more members.

Our overall income number is incorrect in our report. With the correction, we are about \$60,000 positive year to date. We are netting on average about \$6,000 per month. We are making over 5% return on our cash. This is very good.

Trustees Report:

John Sutton presented.

So far, we have saved about \$2,000 on our

change in internet providers.

We have paid our property taxes even though there was a record in our finances that did not show it as paid.

Payroll went up 3% in January due to new state laws.

\$115,000 was put in our bank fiscal year to date.

John said they talked about ammo purchase at the last trustees meeting.

They also talked about the lead reclamation.

They performed some analysis of the amount of lead we could reclaim based on the number of loads of targets we have gone through. We estimate we could reclaim approximately 148 tons of lead. Lead is about \$1 per pound. They are talking to MT2 about the lead reclamation and the possibilities of installing a skeet field.

The clubhouse targets need to be cleaned, rubber replaced, and steel replaced. Will do this sometime in April.

Marketing Report:

Peter Goodwin presented.

The African Safari Outfitter session was very successful.

The hunter group had 20 people in the last session. We made signs for them.

We will be putting up signs for the Continental shoot.

We continue to work with conservation organizations (Safari Club International, Rocky Mountain Elk Foundation and Ducks Unlimited). The Ducks Unlimited engagement has resulted in interest in a company event.

Peter has found someone to help with the website (Kathryn Koehner). He will be working with her to see if she can help us.

We will be having a 2024 WCW board planning meeting this weekend (February 10 th). We will be running membership and non-member surveys after the meeting.

Old Business:

We discussed the Archery Facebook Group. We want to make sure we have a consistent brand on Facebook. We will discuss at the planning meeting on Saturday (February 10 th).

New Business:

Dave and Joe spoke about Shot Show. They spoke with MT2 about lead reclamation and putting in a skeet field in shotgun. We may be able to do a swap of the lead reclamation for making the skeet field.

They also spoke to Winchester about buying targets directly.

Joe and Dave ran into William Kirk (the most knowledgeable person regarding Washington State gun law – see his channel on YouTube) and he has agreed to come to our range and provide information on the legislation in our state. We will target mid-March.

Dale shared notes and information he collected from the show to the board.

For the Good of the Order:

Nothing was presented.

Joe Maggiora moved to adjourn at 8:26 PM. Martin Morehouse seconded. Passed.

Respectfully submitted by Dale Sieg,
Recording Secretary.
