NEWSLETTER

Official Publication of the Wildlife Committee of Washington

JULY 2025

VOLUME 25 ISSUE 7

President's Message

As we prepare for our Nation's 249th Birthday it's important to note that we, as an organization, also have a milestone Birthday to celebrate; the 80th year since the Wildlife Committee of Washington was founded in 1945. Your Board of Directors and Committee Chairs are planning for this event in earnest and encourage all members to join in the fun this summer on Sunday, August 17th. There will be opportunities to introduce you and your family to all the shooting disciplines we have to offer and enjoy the incredible outdoor shooting experience found here on our 80-acre facility. Additional details will be available soon so plan to make a day of it, food and non-alcoholic beverages will be available so you can maximize your time here at the Club. It has been several years now since we hosted an event of this magnitude, so we are overdue for an opportunity to reconnect with old friends and celebrate our success, our sport and the many friends who share our passion.

If you have been paying attention to the Calendar, you've probably noticed that we are offering more classes in each shooting discipline for beginners, novices and those more advanced in their shooting skills. The appetite for this additional instruction appears to be growing fast so when you see a class that meets your needs, be sure to reserve your spot as class size is limited and they fill quickly. Please keep in mind that these classes are taught by qualified instructors and their coaching aids who donate their time and energy to our Club Members and to the Public. If you know someone who is new to

the shooting sports, encourage them to come check us out, they will thank you later.

Our club is dependent on volunteers to make these classes possible. Please consider what contribution you can make to ensure these activities continue to thrive. Often, you do not have to be a certified instructor to assist as a coaching assistant so come and help us share the sport with those who want to advance their knowledge and skill levels. Remember, Board Members, Committee Chairs and Employees are always willing to answer questions or direct you to the proper resource. The more people we can attract, educate and train, the more likely they are to continue investing in the shooting sports and their personal skill level.

MEMBERSHIP BADGES

When you join the club, or when you renew your membership, you get a new membership badge. Unless you arrange otherwise, we will mail them to the address you provided when you signed up.

If your badge doesn't have your special use on it, and it should, that means it has expired and needs to be renewed. Check the club calendar for the next special use classroom session and sign up there to attend to get that renewal. Please don't just drop in, we have limited space for this class.

JULY COMING EVENTS

2 July – Club board meeting
Each Monday – 5-stand shotgun league
Each Monday – Member's Night shotgun
Each Thursday – Bullseye Pistol League
5 July – Rimfire Benchrest Match
9 July – Quarterly members meeting
TBA July – New Member Orientation
12 July – ARA Rimfire match
12-13 July – NRA Basic Pistol class
19 July – First Steps Shotgun class
19 July – Centerfire benchrest match
19 July – Home Firearms Safety class
20 July – Rifle/Pistol SP Use Class
20 July – Pistol Special Use range
20 July – NRA Basic Reloading class
20 July – NRA Highpower rifle match
20 July – Rifle special use range
21 July – Shotgun Committee meeting
23 July – Wash. Waterfowl meeting
26-27 July – Appleseed 25m Clinic
26 July – Trap Fundamentals
26 July – Hunter Group Meeting
28 July – Rifle/Pistol Cmte meeting

WELCOME TO OUR NEW MEMBERS!

Twenty seven new members signed up for new member orientation in June. Welcome to our club!

Do you have skills that would help here at the club? There are lots of volunteer opportunities if you would like to help support the activities you enjoy.

Contact a committee chair for more information, or contact me at secretary@wcwshootingsports.org.

MEMBERSHIP CORNER

Our membership continues to grow, let your friends know the benefits of joining us. Membership is a good deal, we offer facilities and shooting opportunities that are hard to find locally. Some of these are only open to members.

Our individual membership still costs only \$297.00, and the family membership is only \$386.10, and each requires a \$200.00 initiation fee. We still waive the Initiation fee for military, law enforcement and first responders. New members can join us online, at <https://www.wcwshootingsports.org/new-membership/>

MEMBERSHIP UPDATE

Members, please visit the range office and check your membership record the next time you're at the range. Make sure we have your current address, phone number and waiver on file.

DONATIONS AND MATCHING FUNDS

As club members, we can get corporate matching from our employers of donations we make to the club. Some employers will also donate funds based on volunteer hours performed by employees or retirees. As an example, Boeing will cash match up to 100% with a minimum, of \$25.00. Volunteer time is paid at \$100.00 per 10 hours worked. Or if teams of 5 or more are volunteering, it is \$20.00 per hour, per team member. Boeing will match 100% per employee per year to a maximum of \$10,00.00 for active employees, and 50% match up to \$3,00 per year for retirees. Check with your employer to see if they offer corporate matching. This could be a good source for donations, as well as increased exposure and recruiting opportunities.

SWAP MEET!

Did you miss our June swap meet? This gives you time to plan to attend our next one, on 7 September.

Any questions, call Ted Hudlow at 425-353-0042.

MEMBERS -

If you are able to support your range with volunteer time, please complete this short survey and let us know how you can help.

<https://www.surveymonkey.com/r/KQHMZD3>

Volunteers can always start small. Drop in on an event or project and ask how you can help.

HOUSEKEEPING

Our club is not just a business, it is a club for those of us who enjoy the outdoors and the shooting sports. We have to work together to keep everything running well. Often, we find range equipment such as benches and mats left scattered around on Range 1. Our maintenance crew empties the trash cans, but this kind of thing is up to us. Not many of us would visit a friend, rearrange the furniture, and dump trash in their house.

If we see something out of place, we as members are there, we can fix it. Whether it is a dropped target or a broken target support, now is the best time to take care of it. If it is too much to deal with, let the rangemasters know. If you have a suggestion to improve our facilities, come to a committee meeting or contact a committee chair and make the suggestion.

ARCHERY UPDATE

We hosted the NW Safari Tour and the USAA Target Shoot in June, on the same weekend. Attendance was good, and we got great feedback from the competitors. One even said that our walkthrough course was the toughest one he has used in the western US!

Archery Shoots and Tournaments are still going through August at our local clubs. They are posted at the upper flat range on the bulletin board and at Washingtonstatearchery.com.

If you want more information on our archery programs, contact Archery Chair Gabriel Shank.

NEWSLETTER ITEMS

If you have something for the newsletter, send it in to secretary@wcwshootingsports.org. Our deadline each month is the 25th, but the earlier the better. Other members would be glad to find out what is going on and attend or even participate in one of our events.

CALENDAR UPDATE

Don't forget to check our calendar for updates and changes before coming out to shoot.

Our calendar is updated frequently, and should be a good guide to what is open and available. Save a wasted trip, and take a look before coming. Or, check in when you arrive. The range you need may be available earlier than you expect.

If you would like to see what is going on in the club, and get a look at what may be coming in the future, everyone is welcome to attend our board meetings and committee meetings. We hope to see more members at our meetings.

DONATION ON RANGE 1

One of our members, Tom Tritz, donated a spotting scope and mount for Range 1 in the west bay. He installed a post and mount between two of the benches. He says he can see .30 caliber holes at 300 yards with it.

Pistol class exercise

CLASSES, ALMOST EVERY WEEK

Do you know someone who is looking for basic firearms training? We have NRA certified classes here almost every weekend.

These classes introduce newcomers to shooting in a safe and welcoming atmosphere.

As well as our lineup of basic courses, we also teach two sessions a year of NRA certified instructor courses. This is for those who have experience in shooting, and would like to learn how to present that experience to new shooters. We need more instructors!

If you are looking for instructor training, our next one is planned for late in January, and there are prerequisites you need to consider. You can find these classes on our calendar at [Calendar – WCW Shooting Sports](#), and on the NRA website at [Search for Courses | NRA Training](#)

Pistol Instructor class

CONSTRUCTION UPDATE

The work on our range office deck is on hold, as we wait for building permit approvals. If you see progress, you will know that the permits have gone through.

LEAD RECOVERY IS DONE!

We finished lead recovery in the lead traps in the clubhouse.

Tom Colligan, Raymon Crane, Tom Cole, and Jason Panzer were the work crew in May, and Keith Wilson and Tom Cole finished up in June.

Between the two sessions, we pulled out two dozen 5-gallon buckets of lead in chunks.

We found that an oscillating saw worked a lot better than chisels to break the lead loose.

We also replaced the rubber flaps on the bullet traps on positions 1 through 8, and used Coroplast instead of the rubber on traps 9, 10, and 11. We'll see how this works, it may be easier to maintain.

EAGLE SCOUT PROJECT

David Robinson recently finished work on his Eagle Scout project, installing benches on our walkthrough archery range. David coordinated quite a roster of volunteers to get this project completed.

David's volunteers

WCW RIMFIRE MATCH FOR JUNE 2025

There were 36 contestants in this month's match with eleven competitors in the Expert Division, fifteen in the Sharpshooter Division, six in the Marksman Division and four in the Rifleman. Welcome to newcomers David Fuller and Lucy Liu.

Relay One Expert Division Target One: Keith Wilson placed first with a score of 247 8X. Fred Zingleman was second 242 7X with Eric Carter third at 242 4X. Kathryn Koehler was fourth at 239 7X. Target Two: Keith Wilson was first with a score of 245 10X and Ernie Snyder second at 244 3X. Kevin Kellogg finished third with a score of 243 5X and Eric Carter placed fourth at 243 3X.

Relay Two Sharpshooter Division: Target One. Rick McGuire placed first with a score of 238 3X. Jay Cho placed second with a score of 237 4X and Scott Price was third 237 0X. Stephen Goodwin finished fourth at 236 1X. Target Two: Rick McGuire placed first again at 236 3X and David Konkle came in second 235 2X. Bill Ritchie was third at 234 2X and Bryan Schremp was fourth at 233 3X.

Relay Three Marksman Division: Target One. Connor Crowley was first at 239 6X with Peter Jaszczak in second at 228 1X. Song Pak finished third at 227 2X. Target two: Peter Jaszczak placed first at 225 1X and Steve Lee was second at 225 1X. Connor Crowley was third 224 2X.

Relay Three Rifleman Division: Target One. Lucy Liu was first at 220 3X with Todd George in second at 207 0X and David Fuller third at 199 1X. Target Two: Lucy Liu placed first again at 223 3X with David Fuller second at 186 0X and Todd George third at 183 0X.

The scores are posted under the Events tab on the range website.

Contact me if you have any questions about this match.

Matt Daly | Match Director
mattd5404@frontier.com

BULLSEYE PISTOL LEAGUE

We are still running our Spring/Summer Bullseye League. There is room on the range, so if you want to try something a bit more challenging, come out on Thursday night and see how it works.

The matches are 90 shots, starting with three strings of 10 shots each in slow fire, then ten in timed fire, ten in rapid fire, then two strings of ten each in timed fire, and ending in two strings of ten shots each in rapid fire. Scores last week ranged from 529-2X to 845-16X, so the competition is there.

CMP GAMES HIGHPOWER MATCH

Our last CMP match this year was on 22 June. Turnout was the best in quite a while, with seven shooters. We had three AR's, two Garands, a Swiss K31, and an M1 carbine. Bruz Marzolf shot the high score, with a 494-5X, using an AR.

Aaron Sporseen, in his first match with us, also used an AR, and shot a 421-0X.

Milt Schneider used a K31 Schmidt-Rubin, and fired a score of 417-6X.

Joe Jordan was back with his Garand, and scored 389-5X, even with feeding problems.

Sean and Chris Wilson were our first time shooters here, Sean with an M1 carbine shot a 307-0X, Chris with a Garand shot 414-0X.

Robert Shuey was back again, with an AR, and fired a score of 468-7X.

We start our NRA Highpower matches on 20 July, come out and learn how we do it. Competition builds skill!!

JUNE 2025 BENCHREST CENTERFIRE MATCH REPORT

There were twenty one contestants in this month's 300-yard benchrest match with fifteen in the Expert Division and six contestants in the Sharpshooter Division.

The first relay consisted of the fifteen Expert Division shooters and one Sharpshooter Division . The second relay consisted of five Sharpshooters.

To accommodate the larger fields, the target boards were rebuilt to accommodate two targets. The competitors shot targets one and two with a five-minute break between them followed by shooting targets three and four with the same five-minute break.

The weather conditions were cloudy skies with a light rain. Calm wind conditions resulting in some very low scores.

Relay 1 Expert Division:

Target 1: Ken O'Sage finished first with a score of 104. P.K. and Richard Nicol tied for second with scores of 103. There was a four way tie for fourth between Rick Rogers, Ernie Snyder, Jeff Locke, and Teresa Mattingly who all had scores of 101.

Target 2: Jeff Locke was first with a score of 106. Curt Ibach placed second with a score of 104. Ken O'Sage placed third with a score of 103. P.K was fourth with a score of 102.

Target 3: Jeff Locke placed first with a score of 103. There was four way tie for second between Ken O'Sage, Teresa Mattingly, Pat Farrell, and Bryan Zolnikov with scores of 101.

Target 4: There was three way tie for first with scores of 102 between Kevin Turner, Jeff Locke, and P.K. There was a three way tie for fourth with scores of 101 between Ken O'Sage, Pat Farrell, and Rick Rogers.

Relay 2 Sharpshooter Division:

Target 1: Christian Eckhoff and Tim Turner tied for first place with scores of 99. Jason Ingram was third with a score of 97.

Target 2: Tim Turner was first with a score of 99. John Lowdon placed second with a score of 97. Jason Ingram finished third with a score of 94.

Target 3: Jason Ingram placed first with a score of 98. Tim Turner was second with a score of 96. Third place went to John Lowdon with a score of 95.

Target 4: John Lowdon placed first with a score of 101. Jason Ingram finished second with a score 97. Tim Turner placed third with a score of 96.

In the Expert Division Jeff Locke was the winner with a score of 412. Ken O'Sage was second at 409. P.K. was third at 407 and fourth place went to Rick Roger at 402.

Of the fifteen Expert Division shooters seven had four target scores of 400 or greater. Five had four target scores of 397 to 399.

In the Sharpshooter Division Tim Turner finished first with a score of 390. Jason Ingram was second at 386. John Lowdon placed third with a score of 385.

For information on this match contact Matt Daly mattd5404@frontier.

JUNE 2025 100/200 YARD RIMFIRE MATCH REPORT

The June WCW 100 / 200 Yard Rimfire Benchrest Match was held Saturday June 28th on Range 1, but it felt more like a spring day in April or May. We had a record tying 14 competitors this month which included two first time Competitors: Anthony Du and Cathyraye Hyland.

It was a cloudy and drizzly day with the temperatures in the upper 50's. But after the Match was over the sunny came out and it turned into a nice day. The wind was great as it ranged from 0 – 1.1 mph during the match with gusts in the 1.2 to 2.3 mph range. During the 100 yard segment the wind was mostly from the NE which led to some very good scores. However, during the 200 yard segment the wind direction was SSE, NNE, East, South, ESE, West, NW, NE, and ENE. Although the wind speeds were low, 22LR rounds still get pushed around at 200 yards.

100 Yard Results:

Place	Name	100 Yard Score
1 st	Keith Wilson	199
T-2 nd	Bill Ritchie	198
T-2 nd	Eric Carter	198

There were 9 Competitors that shot scores between 199 – 194 which was outstanding. Keith Wilson started the Match off hot shooting an outstanding 199 out 200 at 100 yards for the top score. The 10 ring on the CBA target is only 0.69 inches in diameter, which means a very tight grouping is required for a 22LR at 100 yards. Bill Ritchie and Eric Carter stayed right with Keith and shot an outstanding 198, only 1 point back and tied for 2nd place.

200 Yard Results:

Place	Name	200 Yard Score
1 st	Kevin Kellogg	189
2 nd	Bill Ritchie	187
3 rd	David de Jung	186

For the second straight 100 / 200 yard Match Kevin Kellogg did the best job in mastering the wind conditions at 200 yards and shot an outstanding 189 out of 200 for 1st place. Bill Ritchie was only 2 points back of Kevin and shot an outstanding 187 for 2nd place. David de Jung shot an outstanding 186, his best score ever in the Match at 200 yards, for 3rd place.

Total Combined Scores:

Place	Name	Total Combined Score
1 st	Bill Ritchie	385
2 nd	Kevin Kellogg	384
3 rd	Keith Wilson	383

It was a tight battle to the end as the top 3 Competitors finished within 2 points of each other. Bill Ritchie, shooting in only his second 100 / 200 yard Match rode his consistent shooting, to post an outstanding total combined score of 385 out of 400 for the top combined score of the Match. Kevin Kellogg was right behind Bill, only 1 point back, shooting an outstanding total combined score of 384 for 2nd place. Keith Wilson had a very solid day, only 2 points off the lead with a total combined score of 383 for 3rd place.

"Buck – A – Shot" Winner:

The "Buck – A – Shot" winner for the June 2025 Match was Jason Pahlman who had an outstanding 10 point shot well within the 10 ring at 200 yards on the Cast Bullet 100 yard target and won the \$14 pot.

The updated 100 / 200 yard Rimfire Benchrest Match Summary Results are posted on the WCW Website at <https://www.wcwshootingsports.org/100-200-yard-rimfire-match-scores/>. This file also includes Match Record scores.

The next 100 / 200 yard Rimfire Match will be held on September 27th. If you are interest in attending, please contact the Match Director Keith Wilson at knjcwilson@msn.com.

The Cast Bullet targets are available in the target locker if you would like to practice on them at 100 yards. NO practicing at 200 yards with rimfire rifles is allowed on the Kenmore Range.

WCW BOARD MEETING MINUTES – JUNE 6, 2025

Meeting called to order at 7:01 PM by President Scott Ray

Present board members:

Scott Ray (President)
Dave Rusko (Vice President)
Martin Morehouse (Corresponding Secretary)
Gerry O'Brien (Recording Secretary)
Joe Maggiora (Treasurer)
Gabe Shank (Director 1)
Aaron Morales (Director 2)
John Sutton (Director 3)
Kevin Ekstrom (Director 4)
Jack Bobin (Director 5)
Justin Kisle (Director 6)

Absent board members:

Committee Leads and Facilities Manager present at meeting:

Robert Haverstock – Facilities Manager
Gabe Shank – Archery
Dave Rusko – Handgun
Fred Harmon – Shotgun
Martin Morehouse - Rifle

Guests:

Gabi Sasai
David Robinson
Michael Parent, FFL

Guest topics:

Gabi -Dale wanted to get everyone's name off the board. Dave took care of it this evening.
Gabi came to the board asking for a grant for US Target Nationals and World Youth Championship archery. About \$5000 each for World Youth, flight, hotel, admin, and registration (Currently paid \$3000 not including flight. Last year she is

eligible.

Need everything submitted by July 1.

She does have a history at this tournament and placed 2nd at previous tournament. Will be in Winnipeg, CA.

Board will talk about it in the board meeting.

Also asked about a youth group celebration. To be decided. Date will be August 17, 2025.

Joe moved to approve \$1500 for Gabi, Jack 2nd

David Robinson did a lot of work on benches for archery. It was Scout Eagle project, he and other friends built 6 benches, relocated others. They have concrete benches, so they are sturdy. They should last for a long time.

Benches built from scratch by David. Treated and Trex materials were used to build them. Paid for them out of his own pocket. \$1500. Asked to help cover some of the cost from the range. Dave also recommended donation plaques to help offset costs.

Dave moved to purchase plaques for benches. Donated by Robinson Family on plaques.

Give them a one-year family membership

David is also making signs for the archery range.

Michael Parent

Runs the FFL. Part of his ability to be here is from his ability to have parcels shipped here and handled by him, A new lease starting in July 1. Same lease since 2022.

Also provided a 3rd party logistics contract for receiving parcels. Agents that handle parcels. Sent inquiry to ATF and ATF is fine with the arrangement. Complication is without a brick and mortar location, most manufacturers will not ship.

Michael is classified as sporting goods retailer and the parcels are classed as sporting goods. WCW is the agent and receives them, the parcels are then placed inside the FFL structure. Standard industry practice.

The contract removes liability from WCW and is on the FFL. Legal responsibilities for loss etc. is the FFL's. HB2118 requirements are being met by the structure for the FFL.

Essentially WCW acts as agent if the FFL cannot be here. That is what the contract states.

Contract indicates that no WCW members are employees of the FFL.

The board still needs to look at the contract and deal in more detail.

Clarifying question on how does UPS know it arrived. Does the range log it into some record? Recording date and time, and tracking number when received. FFL logs when he collects it and signs it out. Will maintain the records for 6 months.

Big concern is if packages arrive, WCW is responsible for it. FFL still takes responsibility for sporting goods package. FFL insurance covers the loss of the parcel, Loss value is listed as \$10. Dave asked how many parcels per month. Likely 7 or 8 packages per week.

Concern about how much time does it take for WCW staff. Robert receives packages all the time and indicates that it's not a big time commitment.

Robert can have access to FFL office in the event that Michael cannot make it that day to log out the packages.

Swap Meet:

Club is liable and should not be selling firearms in the clubhouse. If the public is allowed to come into the clubhouse, do they need to go transfer it to the FFL. Liability is transfer in the clubhouse. Insurance will not underwrite a policy if we are selling in the clubhouse but not member to member.

Michael says what we do at a swap meet is not a gun show and doesn't fit the same qualifications that gun shows fall under. Gun shows are basically setup to be able to have these transactions.

Committee reports:

Notes from the committee reports that were presented during the board meeting are below.

Archery report:

Aaron Morales presented

Handgun Report:

Dave Rusko presented.

Rifle Report:

Martin Morehouse

Shotgun Report:
presented.

Manager's Report:
presented.

Treasurer's Report:

Joe Maggiora presented.

We are two months into fiscal. Tracking a little over on the budget. Report coming next month on the budget.

High expenditure on ammo, big chunk of money on depreciation. Changed the way we do depreciation. A little more cost involved. -\$30,000 for the month. Budgeted -\$20,000.00 Scott asked if any bills come in? Property tax paid before fiscal (\$8000). Also asked if we got more ammo this year. Robert said it was shipped quicker.

Scott says we don't seem to be worse off than last year. All ammo will be marked up and sold to help show in balance sheets.

Trustees Report:
presented.

Marketing Report:
presented.

Old Business:

New Business:

1st agenda point

On the insurance and liability issue, firearms are not being sold at swap meet. They must all go to the FFL for transfer.

2nd agenda point

Club contact list. Needs to be completed so people know how to contact us. Email addresses to be updated.

Scott wants positions to be on our badges.

State of the range – roof and back panels are on the shed. Volunteers came out and got it completed. Stuff can now be under cover. Used scissor lift to fix lights on shotgun range. Some bad transformers. Might have parts to

rebuild the cans now. Do we want to switch to LEDs?

LEDs would be cheaper to run but we have extra bulbs. LEDs will cost more to start. Can budget for later years as we have spare stuff for now.

Martin and others have cleaned out the traps in the clubhouse. 12 out of 22 are done, remaining 10 still to be completed.

Got carts for the tables now so it makes it easier to handle the tables. New racks for chairs as well and it can handle all our chairs.

Hallway from back to front will need to convert for ADA. Need to investigate how to get there. ADA requires specific space (36 inches). Dave removed door frames to get measurements. Will thinset the frames so we don't need door frames.

Challenge as per Dave, when we do modifications, we need permits. Aaron says permits not required for this work. Doors will require crash bars to get out. Leaving doors off will negate this requirements.

Dave is asking for members to throw trash out at home. He is finding old microwaves and other things in our dumpsters. Trash collection is costing a lot.

Mr. Barton will drive in the parade and asked if we want to be advertised in the July 4th parade? Board says yes. It will cost to create now boards.

Robert wants to work on some new uniforms for the range masters.

Badges – complaints from members about missing badges. Committee is one member. Patty is busy with a lot of duties. Badges will now be mailed to existing addresses. Ultimately will have on-demand badges at the range.

When renew online, choose option to pick up vs mailing.

This is a financial things due to postal rates to mail these out. Decision to mail badges should have been brought to the board first because it is a financial decision, per by-laws. Decision was made to help overcome the printing issue. Also mentioned that if membership is too busy for creating, how can it mailing solve the problem as that will take more time than just printing and have them available for pick up.

Do range masters have time to do the badge printing or do we hire someone to do this.

We should be able to print onsite.

Complaints have been piling up and needs to be taken care of. Existing machine can only print on one side and has issues that don't appear to be fixable. We need to replace it.

Do we need an office person? Range masters should be on the ranges.

Board decision on badges – Justin moved Aaron 2nd Motion mailed with an option to pick up at office.

Dave and Aaron communicating on logistics for archery event? Event checkins, tables, etc, set up. Patty will bring POS for as there is power at the range to alleviate bulk of people going to office. Registration will be at range. Aaron will take shooters list roster and waiver signing. WiFi access might be an issue.

Don't have extra computers so run registration and payment through container. Robert will be running office from 8:30 on and can run the registration. Aaron will open gate as he will be here to open the gate at 6:30 or 7:00.

Two archery tournaments on the same day. 60 to 80 on the upper field, 70 or so on the lower field. Bulk of people arriving between 7:00 and 9:00. Parking will be handled by Dave R. Dave will put up barriers at the clubhouse.

FITA requires chairs, that is for lower range. Swap meet on Sunday will use all the tables so tables might be an issues. Upper range only needs one table.

Camping is available for range 4, tents. One trailer is coming. Aaron will put them by the new shed.

Should be able to setup for awards in the clubhouse after 3:00 PM. Most will shoot and leave and not stay for award ceremony.

Clay Targets – targets used have black bottom. Hard to see in low light. Proposal to go with full color on 5 stand. Financial is .5 cent more. Estimate is about \$2000 more per year. Only need to do that 3 stands. 5 stand gets full color. Rabbits and full color can be placed in areas where they will be used only where needed. New order will be in the fall.

Robert indicated we should evaluate profits on these before we make a decision on increasing costs or not.

Committees –

See Justin's email for details

Would require a change in by-laws.

Should it be under shooting sports or others?

Dave thinks it should be its own fully formed committee.

Budget for this committee can be approved at any time.

Martin moved, Jo 2nd Unanimous passed to move Marketing to a full formed committee. Chairman is Justin.

Anniversary Picnic -

Looking to get speakers aligned for history, old-timers come up and talk about experiences.

Table for competitors to show off awards.

Jack to bring in William Kirk, and others who have a history of being here. Give everyone 5 minutes each about the history and talk about the direction the club will go.

Members and family are the target audience.

Start an hour early, browse tables, Plan is for August 17th.

Doors open regular time, 11:00 AM activities (TBD), presentations at noon and go for up to an hour, at 1:00 take a break for people to wander around, get some birthday cakes, raffle at 1:30. Aaron would like to take some recurves up to flat range.

Shooting activities at the end so it is easier to get people back to the main event.

More details to follow. Guessing about 250 people.

Budget need to be determined as they also want to bring in food trucks. Need to know minimums for food trucks. Joe moved \$5000, Dave seconded, passed.

Robert reported on new employee at shotgun and pistol. Working more this summer.

Hunter is leaving. Next Friday is his last day.

David is now closer to the club.

Martin Morehouse:

Policy manual needs to be sent to each committee for input. Governance committee to manage it.

Martin is updating the policy manual to be aligned with by-laws. Governance committee will send it out to other committees for input.

Governance still doesn't have a committee chair and needs another member.

Martin proposing a rule for muzzle loaders to shoot past 100 yards. Range 1. Current rules restrict muzzle loaders to 100. Rifled muzzle loaders ok, smooth bore not.

Conduct Committee –

Need to sort out how to get information from range masters. Need a policy on how the range master addresses things. Does it need to be recorded or reported.

Conduct rules exist, we don't have a policy for reporting on violations.

On the FFL situation and WCW acting as his agent.

WCW assumes some liability. The issue is if the package is a regulated item. FFL is insured for the loss but if the regulated item is lost and ends up in someone's hands and used for nefarious purposes, we could be sued.

Martin moved that we do a headcount who wants to keep Michael here. Majority voted to keep him here. Voting on signing for packages via email.

Joe and Scott will continue to negotiate with Michael.

5-stand league next Monday for shotgun.

Need board approval for 7-weeks

Can we open 2nd and 4th Monday for the league as an extra members night? Every Monday for 7 weeks will be members night. Move over to trap to not interfere with members night.

Potentially double the number of shooters.

Dave asked if they guarantee that all ranges are reloaded with targets?

Dave and Fred to work out details and put them on the calendar. Already on calendar.

For the Good of the Order:

None

Aaron moved to adjourn at 9:44 PM. seconded. Passed.

Respectfully submitted by Gerry O'Brien,
Recording Secretary.
