## President's Message

2026 has been a busy year for our Club and the pace doesn't appear to be slowing anytime soon. Projects often follow a similar path; they are defined, budgeted and approved, then modified to meet unforeseen obstacles or delays before their eventual completion. The key is having enough people (read, volunteers) to stay and see these projects through. Even when we decide to hire the work done we have a hard time finding a contractor or technician willing or able to do the work we need done. It's unfortunate, but this reality isn't unique in today's world as most of us go through life at the mercy of demanding work schedules and family commitments. And, as any home or business owner knows, we are facing a diminishing supply of skilled tradesmen in almost every field. So, you ask; am I making excuses for the slow pace of improvement? Yes, in a very real sense I am but my hope is you will appreciate how hard the folks work around here to keep our ranges maintained, available and running smoothly. Every change or improvement we make is carefully considered, measured and planned to minimize any potential disruption for you, the valued users of our facilities.

Regarding another important matter, we have an election coming up in April (2027) at our Annual Members Meeting. We need more WCW Members to volunteer and serve as Directors or Officers of the Club, and we prefer to have those positions filled through our election process. We will be announcing open positions soon, so I ask that you give serious consideration to taking a

more active role in the development and management of our incredible shooting venue. Some positions require more time and effort so we will post a summary of qualifications and responsibilities for any open positions once we know what those will be. And remember, all members are welcome to attend our monthly Board Meetings. The general (public) session is rarely more than an hour, so it won't take your entire evening. We meet on the first Wednesday of every month, usually in the Chalet. However, when that space is not available we assemble at the Clubhouse. Our On-line Calendar will always specify where we will meet so be sure to check that before heading out.

For those of you who will be pursuing your favorite wild game animal this fall, please be safe and prepared while you are in the field. The weather can turn quickly this time of year and all the recent fires in Eastern Washington have made many hunting units inaccessible or problematical due to potential flash flooding and landslides. Many roads have already been impacted, and the wet weather will ensure many more will face a similar fate. We wish everyone great success and hope you are able to enjoy everything the incredible Northwest outdoors offers our hunting community.

## WELCOME TO OUR NEW MEMBERS!

Nineteen new members signed up for new member orientation in September. We are glad to have you join us!  
Did you join us for archery, shotgun, rifle, pistol, or some combination? Do you have skills that would help here at the club? There are lots of volunteer opportunities if you would like to help support the activities you enjoy.  
Contact [info@wcwshootingsports.org](mailto:info@wcwshootingsports.org) for more information.

## MEMBERSHIP CORNER

New members are always welcome here, we don't have a restricted membership. Let your friends know the benefits of joining us. Membership is a good deal, we offer facilities and shooting opportunities that are hard to find locally. Some of these are only open to members.

Our individual membership still costs only \$297.00, with the family membership at only \$386.10, and each requires a \$200.00 initiation fee. We still waive the Initiation fee for military, law enforcement and first responders. New members can join us online, at <https://www.wcwshootingsports.org/new-membership/>

## NEWSLETTER ITEMS

If you have something for the newsletter, send it in to [secretary@wcwshootingsports.org](mailto:secretary@wcwshootingsports.org). Our deadline each month is the 25<sup>th</sup>, but the earlier the better. Other members would be glad to find out what is going on and attend or even participate in one of our events.

## MEMBERSHIP BADGE NEWS

We are improving our membership badge process. Membership badges can be picked up in person during normal business hours on weekdays and after 12 PM on weekends. Later in the day is better, the office is very busy when it opens.  
Email [membership@wcwshootingsports.org](mailto:membership@wcwshootingsports.org) for any questions.

## MEMBERS

If you are able to support your range with volunteer time, please complete this short survey and let us know how you can help.

<https://www.surveymonkey.com/r/KQHMZD3>

Volunteers can always start small. Drop in on an event or project and ask how you can help. Our committees can always use additional input. Can you write? Can you help with marketing or promotion? Can you coach or teach? It takes a variety of skills to keep things going.

## CLUB POLICY MANUAL UPDATES

We have updated our club policy manual and related safety rules. The current update is on our website [at WCW Policy Manual](#). The corresponding range rules will be posted on the ranges soon.

## RANGE SAFETY REMINDER

Have you seen someone on the range having safety problems? Were you able to help them, or alert others to help them? All of us have eyes and ears, and need to stay aware of what is going on around us. If you see a range rule violation, especially a safety violation, let people know, let a rangemaster know, or even help the unsafe shooter correct the problem on the spot.

We are still seeing shooters uncase guns behind the line or not pointed downrange. We all need reminders at times. All of us together keep things safe, and more eyes are better.

Remember, when you walk by a standard not being observed, you just set another standard.

## WE HAVE FIREARMS CLASSES!

Do you know someone who is looking for basic firearms training? We have NRA certified classes here almost every weekend, and we are adding more.

We now have First Steps Beginning Shotgun, and offer a monthly NRA First Steps Pistol orientation class. NRA First Steps Rifle is on the calendar as well. For more information email [learn@wcwshootingsports.org](mailto:learn@wcwshootingsports.org)

We need more instructors!

If you are looking for instructor training, our next one is planned for late January, and there are prerequisites you need to consider well before then.

You can find these classes on our calendar at [Calendar – WCW Shooting Sports](#).

## CALENDAR UPDATE

Remember to check our calendar for updates and changes before coming out to shoot.

Our calendar is updated almost daily, and should be a good guide to what is open and available. Save a wasted trip, and take a look before coming. Or, check in when you arrive. The range you need may be available earlier than you expect.

If you would like to see what is going on in the club, and get a look at what may be coming in the future, everyone is welcome to attend our board meetings and committee meetings.

If your group has events that should be on the calendar, let us know. We can't post them if we don't know they are planned. To make sure everyone else know about it, send your event information to [secretary@wcwshootingsports.org](mailto:secretary@wcwshootingsports.org).

## EVENING RIMFIRE BENCHREST MATCH

The first ever WCW Evening Rimfire Benchrest Match was held on Wednesday Sept 9th on Range 1. What is unique about the Match is that with recent Board approval, Competitors can now shoot until 10 minutes past Sunset, which enable the Match to run until 7:45 on Range 1. The goal of the Match is to hopefully enable people who work during the day an opportunity to shoot in an evening Rimfire Match.

Initially 12 Competitors signed up to compete, but due to heavy traffic, work related delays, and illness we only had 6 Competitors make it on time. It was great having Mark Windland in attendance as this was his first Rimfire Benchrest Match. Everyone had a great time, and we met the goal of the Match to have fun and provide individuals an opportunity to shoot whatever rimfire rifle and gear they own in the evenings. The IR 50 / 50 target has generous scoring rings and an easy requirement for an X, which resulted in TQ shooting a 250 – 14X on his second target which was the first 250 shot at the Match.

The 6 Competitors were divided into 2 Divisions based upon projected performance, which resulted in 3 Competitors in each Division. The Match has an optional “Buck-a Bull” challenge where after all targets are scored a random Bull from one of the targets shot is selected and the Competitor with the best score on that Bull wins the pot for their Division. All 6 Competitors competed so \$3 was awarded to the winners. Division 1 was won by TQ with an X and Division 2 was won by Chris Vidrine with a 10.

The final Evening Rimfire Benchrest Match for 2026 will be held on Wednesday October 14th. Because daylight savings time hasn't ended yet the last shot will be at 6:34 PM based upon sunset. To support this the Mandatory Safety briefing will be held at 5:15 and sign in will begin at 4:45. The Evening Rimfire Benchrest Match will start back up in April of 2027 when sunset is definitely later in the day.

If you are interested in the Match, please contact the Match Director Keith Wilson at 425-766-3065 or [knjcwilson@msn.com](mailto:knjcwilson@msn.com)

## FIREARMS EDUCATION NEWS

We have our USCCA Basic Defensive Pistol and Legal Use of Force classes every month now. There is space available if you have been looking for a pistol class with a little bit more to offer. Our other classes are as active as ever and we have more coming, in rifle, pistol, and shotgun. What do you want to try next?

## HELP WANTED

Would you like to know more about our newsletter, and how it is put together? Can you use Word or Adobe to edit documents? We could use some help from a member with these skills, or willing to help.

Would you like to learn about managing events here at WCW? We host six highpower rifle matches each year, as well as numerous other activities. We could use a hand with these, and to fill in if someone is not available.

Contact us at [info@wcwshootingsports.org](mailto:info@wcwshootingsports.org) to learn more.

## BULLSEYE PISTOL LEAGUE

Our summer/fall outdoor pistol league is still going on Thursdays on Range 3. This is our rimfire only league. It is a re-entry score with the best 10 scores for record. Only one relay that kicks off at 7:00 PM. Cost is \$60. The league runs through October, then we will reset for the .22 only indoor season.

We have room on the line for you, come out and improve your pistol shooting through competition.

## WCW MEMBERS COMPETE IN SEPTEMBER N50 BENCHREST MATCH IN TACOMA

WCW members Mark Huber, Dave Johnson, and Keith Wilson competed in the N50 Benchrest Match held on Sunday September 13th at the Tacoma Rifle and Revolver Club. N50 is a National Organization that offers an opportunity for both Air Rifles and 22LR Rimfire Rifles to compete side by side in 4 Classes: Pro Rimfire / Slug, Sportsman Rimfire / Slug, Factory Rimfire, and Pellet.

A Match consists of shooting three targets with each target having a maximum possible score of 250 points or 750 total points possible for the Match. There were two Matches shot on the 13th.

It was a cool, damp, and rainy day. The temperatures were in the mid 50's, and with the rain and high humidity it just felt cold. But the good news was the wind was great for both Matches in the 0 – 3 mph range with some variation in direction, but it wasn't too bad and the WCW crew shot some very good scores.

### Pro Rimfire / Slug Class:

In the first Match Mark Huber took 1st place in the Pro Class after shooting a perfect score of 250 on all 3 targets. Mark had a total combined score of 750 – 50X (250 – 21X, 250 – 15X, 250 – 14X). With his perfect 750 Match score this month, Mark moved into 1st place nationally in the Pro Class with a 2250 – 162X. With the last month of the summer session in October it looks like Mark has a great shot at winning the Pro Class in 2026.

In the second Match Mark Huber once again took 1st place with a total combined score of 749 – 53X (250 – 18X, 249 – 19X, 250 – 16X). Mark dropped a single point with one of those crazy rimfire flyers on the second target.

### Sportsman Rimfire / Slug Class:

In the first Match Keith Wilson took 1st place in the Sportsman Class with a total combined score of 748 – 54X (250 – 14X, 249 – 21X, 249 – 19X). Keith also had one of those crazy rimfire flyers on both his second and third targets.

In the second Match Keith Wilson once again took 1st place, but after changing to a different Lot of ammo, Keith shot a perfect score of 250 on all 3 targets. Keith shot a total combined score of 750 – 61X (250 – 21X, 250 – 21X, 250 – 19X). With his perfect score Keith moved into 2nd place nationally in the Sportsman Class. He is tied with the N50 National leader with 2250 points, but trails in X count 179 – 163. This will be a steep hill to climb with only one month left in the summer session.

### Factory Class:

In the first Match Dave Johnson shot an outstanding total combined score of 745 – 37X (249 – 14X, 247 – 11X, 249 – 12X) taking 2nd place. Dave tied the Competitor who took 1st but finished in 2nd with a lower X count. Dave's 745 score also moved him up to 6th place nationally in the Factory Class. Dave also sits only 3 points back of 4th place with one month to go in the summer session.

In the second Match Dave Johnson took 1st place with a total combined score of 738 – 37X (248 – 14X, 248 – 13X, 242 – 10X). Dave had an excellent second Match going through his first two targets but ran out of the ammo he was using and had to switch to a backup ammo for the third target.

## EVENING RIMFIRE MATCHES

Have you ever thought about shooting in one of the WCW Rimfire Benchrest Matches held on the weekends, but your weekends are always busy with work or family duties? Well, on Wednesday 9/9/26 we will be starting up a new evening 22LR Rimfire Benchrest Match on Range 1 for all.

We can shoot till 10 minutes after sunset, which for 9/9 has the last shot at 7:49 PM. Yep, that is correct, we can shoot past 7 PM. Will be shooting two IR 50/50 targets at 50 yards starting at 6:55 PM. Please arrive at the range and be checked in by 6:30 PM. At 6:30 we hold the safety briefing, hang targets, and then uncase rifles. It is VERY important that we get started on time as at 7:49 a ceasefire will be called. Match start & end times will be locked in to the sunset on the date of the Match. As an example, the October 14th Match has a last shot at 6:34 PM based upon sunset, with a safety briefing at 5:15. The current plan is to shoot Matches in September and October of 2026 and then start back up in March or April of 2027.

This is designed as a FUN Match for all levels. We will be starting out with 2 Divisions and may grow to 3 as the number of competitors grow. The targets will be scored in the Chalet. The IR 50/50 target is a fairly easy target to shoot, so whatever your skill level is, it will allow you to be competitive in your Division and then help you to grow your shooting skills.

As a FUN match any 22LR Rimfire Rifle that is safe may be used. There will be NO restrictions on rests or other equipment for this match. You can use bi-pods, Tripods, one piece rests, Clamps, Tuners, Muzzle Brakes, Weights, Target Hangers, and your own wind flags (note the 50 yard match wind flags will be set up so don't worry if you don't have any). We are also working on target hangers at this time. It doesn't matter whether you buy it, or make it, you can use it as long as it is SAFE. Also, your rifle and set-up cannot damage the benches.

The Match is limited to 18 Competitors as Range 1 has only 18 benches. Therefore, if you are interested in shooting the Match, please contact the Match Director Keith Wilson at [kncwilson@msn.com](mailto:kncwilson@msn.com) or 425-766-3065 to sign up. Walk ups are allowed the evening of the Match if space is available.

Finally, we are working on a simple and fun competition based upon the score of a target and bull randomly selected after scoring has been completed for those that wish to participate in each Division. Participation cost will be \$1 with the winner in each Division taking their Division's pot.

We look forward to seeing you there!

## SEPTEMBER NRA HIGHPOWER MATCH

We held the last NRA Highpower match of the year on Sunday, 27 September. We had three competitors and one member auditing the match to see how it works for him.

Robert Shuey had the high score, with 430 – 3X, but Doc Sporseen was close behind with 427. Josh Jordan was there again with his Garand, and scored a 382. He's getting better with every match. Ben Hanson brought his Tikka and one magazine, and scored a 411. He plans to be back at our matches next year with a bit more equipment and more practice.

Watch for our CMP matches coming next spring, we have room for you to try them out.

## SEPTEMBER BENCHREST CENTERFIRE MATCH REPORT

There were fifteen competitors in this month's 300-yard benchrest match with six in the Expert Division and nine in the Sharpshooter Division.

There was only one relay required for the fifteen competitors.

Welcome to newcomer Ryan Rockwell.

To accommodate the larger fields, the target boards have been built to accommodate two targets. The competitors shoot targets one and two with a five-minute break between them followed by shooting targets three and four with the same five-minute break.

The weather conditions were excellent with dead calm-wind conditions.

### Expert Division:

Target 1: Kahn Nguyen was first with a score of 104. Pat Farrell was second with a score of 101. Bruce Nguyen finished third with a score of 100.

Target 2: Kahn Nguyen finished first with a score of 103. Pat Farrell and Ernie Snyder tied for second with scores of 101.

Target 3: Pat Farrell was first with a score of 103. Kahn Nguyen finished second with a score of 102. Bruce Nguyen and Ernie Snyder tied for second with scores of 101.

Target 4: Bruce Nguyen was first with a score of 103. Kahn Nguyen and Pat Farrell tied for second at 102.

### Sharpshooter Division:

Target 1: Matt Daly placed first with a score of 102. Mark Phelps was second with a score of 101. John Lowdon placed third with a score of 99.

Target 2: Christian Eckhoff was first with a score of 100. Mark Phelps was second at 99. Matt Daly placed third with a score of 98.

Target 3: Christian Eckhoff placed first with a score of 101. John Lowdon was second at 99. Matt Daly finished third at 98.

Target 4: Mark Phelps placed first place with a score of 102. Matt Daly was second at 100. John Lowdon came in third place with a score of 95.

In the Expert Division Kahn Nguyen was the match winner with a score of 411. Pat Farrell finished second with a score of 407. Bruce Nguyen placed third with a score of 402.

In the Sharpshooter Division Matt Daly finished first with a score of 398. Mark Phelps was second at 397. Christian Eckhoff placed third with a score of 390.

## RANGE 1 REMINDERS

Lumber is expensive, use the right target supports. Our 15-foot crossboards are only for use at 50 yards. The 12-foot crossboards are for use at 100, 200, and 300 yards. Spares are stored at the sides of each target line. Spare posts are in the green barrels at each target line. If there aren't enough spares move the correct boards from another target line.

Steel targets are generally at each target line. When you are done with a steel target, move it back to the side of the range. Don't leave it to the next person to do your work.

And last, if something is broken, bring it back to the scrap pile behind the firing line benches.

## WCW BOARD MEETING MINUTES – SEPTEMBER 2, 2026

Meeting called to order at 7:01 PM by President Scott Ray

Present board members:

Scott Ray (President)

Dave Rusko (Vice President)

Martin Morehouse (Corresponding Secretary)

Sherman Chang (Recording Secretary)

Casey Porter (Treasurer)

Phillip Downes (Director)

Jack Bobin (Director)

John Sutton (Director)  
Chad Cechini (Director)  
Kevin Ekstrom (Director)  
Mark Bachmeier (Director)

Excused Board Members:

Committee Leads and Facilities Manager Present:

Dave Rusko – Handgun  
Sherman Chang – Shotgun  
Martin Morehouse - Rifle  
Robert Haverstock – Facility Manager  
Philip Downes – Archery  
Christian Eckhoff – Air Gun (Absent)

Guest: New Spotting Scopes (Mike Huck)

Left-handed rifle accessories to replace the 4H equipment have been ordered and delivered. Left-handed rifle purchase is still in progress. An additional 8 spotting scopes to replace the 4H spotting scopes are also needed. Martin Morehouse raises motion to approve the purchase of 8 spotting scopes. Chad Cechini & Kevin Ekstrom second. All in favor.

Old Business:

Washington State Firearm Instructor Program and Club Certification (Chad Cechini)

State patrol is in process of vetting instructors and curriculum for the upcoming changes in firearm purchase requirements. We are still pending more detail from Washington State Patrol. The new requirement also requires the organization that is providing the certification to have sponsorship, and we are awaiting clarification on which organization will be able to sponsor WCW instructors.

Status of Donation Policy (John Sutton)

John Sutton is in the process of testing out various processes.

Social Media Marketing, Instagram and Facebook access now available? (Jack Bobin).

Archery is requesting that we hold off on merging the WCW Archery Facebook page as they are prioritizing setting up active communication to members first. Jack Bobin is working on cleaning up administrative access to club accounts.

Website upgrade status (Dave Rusko)

Dave Rusko has set up the initial webpage platform. Additional work is required to set up the layout of the new site so that it's intuitive to use and mobile friendly.

New Project Status and current timeline (Dave Rusko)

Tufshed replacement on target for October and demolishing will start week of 7-Sep. Repairs to Range 2 wall still need volunteer help as we have not heard back from contractors on bids. Archery container in progress. Concrete pour in review.

Updated Policy Manual (Martin Morehouse)

Changes have been made and announced by both email and newsletter.

### Shotgun Field Lead Recovery (Scott Ray)

Currently have 18 barrels for lead recovery. Pending to weekdays from 14-Sep to 25- Sep. (Update: Shotgun field lead recovery has been postponed due to inclement weather. Update date to recover lead has not been set.)

### New Business:

Surplus Rifles being offered to members (Martin M.)

Surplus rifles have been announced on the newsletter and several members have expressed interest. Martin Morehouse is repairing some of the rifles so that they are functional. Sales of rifles will need to be transferred thru onsite FFL. John Sutton has looked thru the surplus rifles and researched the market price and are now labeled on the rifles.

### Range 1 Baffle safety issue (Robert H.)

See Shooting Sports Advisory;

### Regular Updates

Treasurer's Report (Casey):

August net revenue down. ~\$7K down for month of August.

### Committee Chair Reports

Shooting Sports Advisory:

Archery:

Philip Downes is planning on cleaning up the walk-through so that it can be potentially used by archery in the future. Philip Downes is communicating to archery members on how to request use of the club house and adding the process as part of Archery Special Use.

### Rifle:

[Urgent] First section of Range 1 baffle needs to be replaced / repaired. Range 1 300-yard berms also need additional soil to build up the berm. Additional soil is being added to build up the Range 2 berm at 100-yards. Keith Wilson worked on repairing the cross board storage racks to prevent future sagging. Wilbur Loo is working on improving the 200/300-yards steel target and frames.

### Pistol:

Protective wood on the vertical steel I-beams supporting the baffles needs to be replaced. Maintenance crew will be making the necessary repairs. Height on the 50-yard berm needs to be extended to safely contain lead and copper fragments from entering the out-of-area walk-through Archery range. Dave Rusko is planning to move the concrete eco blocks to the pistol range to extend the height.

### Shotgun:

WCW Shotgun Interest Google Group E-mail list has been set up and shotgunners are signing up to get news updates. The Google Group E- mail list is now being used to send shotgun related information to members. Shotgun trapper staffing is currently at a decreased level. In the meantime, we have set up process to request help from members to help with trapper and to thank them for their time. We continue to get interest from members and from the public on league shoots. We are seeking a member that can lead the effort to start a WCW shotgun league.

8:37 PM: Meeting Adjourned
